9. [REDACTED] LIAISON In follow up of advice from Bill Miller, Staff Director, Senate Select Committee on Intelligence, to George Cary [REDACTED] OCI, was requested to compile unclassified material to be provided to Senator Mike Mansfield (D., Mont.) in connection with his impending trip to the People's Republic of China. After checking in with the Senator's Majority Leader office, I was finally referred to Frank Valeo's, Secretary of the Senate, Administrative Assistant, Dorothea Scott, and she said that if we could get the material to her she would make sure it got to the Senator. In response to my query, she recommended the material be provided no later than tomorrow. The material was dispatched this afternoon. Subsequently, the Director advised that he had received a call from the Senator directly also requesting this material.
